*Fellow Alumnus,*

*On behalf of the organizing Board of Directors I would like to take this opportunity to introduce and ask your support for the Huskie Football Scholarship Foundation Inc. (HFSF)*

*We incorporated this Not for Profit Corporation with registered charitable status to create a perpetual endowment dedicated exclusively to providing scholarship to the Huskie Football program. Canadian Intercollegiate Sports (CIS) regulations have undergone dramatic changes over the past several years. Perhaps the most significant change allows institutions and charitable organizations to provide scholarships for athletes in support of their programs. These changes have dramatically altered the landscape of collegiate athletics.*

*In order to recruit top athletes, programs need to offer academic scholarships. HFSF was formed with the objective of providing 24 fully funded scholarships in perpetuity in order to assure that Huskie Football remains the pre-eminent program in the country.*

*Enclosed you will find all the documentation required for you to understand the structure and goals of the Foundation. We ask that you familiarize yourself with the materials included and ask for your financial support in pursuit of the organizations goals.*

*Should you have any questions please do not hesitate to contact any of the Board members or myself directly.*

*Warmest Regards,*

*L. David Dubé*
