

August 27, 2004

Dear Huskie Supporter:

The Huskie Athletic program at the College of Kinesiology, University of Saskatchewan, has seen great success over the years. The student athletes, the teams and the Huskie names are well known in the Saskatchewan community and indeed nationally.

Our football program under Coach Brian Towriss continues to recruit outstanding young talent, promote strong work ethics, build team dynamics, and win titles. We have tremendous coaching by a very experienced and extremely dedicated group of individuals. We are proud that our program supports the academic student model and we continue to recruit over 90 percent of our team members from Saskatchewan.

Since the change in CIS regulations regarding scholarships, university sports have become much more competitive and recruitment of new talent challenging. The alumni, families and friends of the Huskie Football team have been very supportive and that commitment continues. I applaud your dedication and thank you for your on-going commitment to the team.

Both individuals and organizations support the Huskie Football program through a number of important avenues. The members of the Huskie Football Scholarship Foundation should be congratulated for their commitment to provide fully endowed scholarships for the Football program. Whether donors choose to make their donations through the Huskie Football Scholarship Foundation (not receipted by the University) or give directly to other University initiatives (such as the Huskie Athletic Endowment Fund) in support of the team, I wholeheartedly support all fundraising efforts to meet our goal of being the best football program in Canada.

I encourage you to continue to support the Huskie Football team, the Huskie Program, the College of Kinesiology and the University through the avenue you feel most comfortable. Your contributions are indeed appreciated.

Thank you.

Go Huskies!!!

Yours sincerely,
